## CUSTOMER REVIEWS

**Lyla** *(via GrabFood Platform)*

Owner called to say Lahori Chicken Kebabs were sold out so I got Aloo Tikki instead as replacement. Owner was kind to send a sample of Lahori Chana. Food arrived warm and was very tasty. Every bite tasted as if heaven was smiling down on you. I've read comments about the food being a bit pricier, so blame the platform for charging the extra percentage. Use whatever available discount to order, ok. I saved \$11 on this order and will order again without regrets.
